"I JOINED UPSTART SESSION ONE WITH THE SYDNEY CHAPTER, MYSELF FORMING PART OF A SMALL AND VERY INVOLVED CORE TEAM WHO CARRIED THE POTATO SOCIAL FROM ITS INFANCY INTO WONDERFUL FRUITION.

DESPITE THE DEMANDS OF FULL TIME WORK, A PARTNER, FAMILY AND FRIENDS, PLANT BABIES, SLEEP, AND AN IMPENDING MOVE INTERSTATE; I FOUND MYSELF THRIVING ON THE INTENSELY ENRICHING COMMUNITY THAT IS THE INTERNAL HIVE MIND OF YFM."

JESS - SESSION 1 & 2

## TIME COMMITMENT

The program is designed for you to be able to complete around your existing passions and commitments in life, be they work, study, job hunting, your bee-keeping obsession etc. However, the program does require time and commitment, as all rewarding things do.

It is strongly recommend that participants attend all of the core elements of the program:

- Welcome Bootcamp
- Weekly Team Meetings
- Learning Activities
- Project development night
- Debrief session

Aside from these participants will be expected to be self-directed in assigning time to work on the project.

We strongly encourage participants to make an active decision about when they will be able to work on their tasks for the program, and to communicate and update their teammates about their availabilities regularly during the session. This might mean blocking away a particular day of the week for the length of the program to work on things or meet up with people, whatever works for your working style and routine.

## LOCATION

Team meetings, bootcamps and project planning nights are based close-to or in city centres or inner suburbs. Due to the strong practical element of the program, and the importance of face-to-face organising, we are not able to make the program available remotely in 2018.

Participants will need access to a smartphone, a laptop or a tablet in order to be able to participate in the online component of the program.

# FEES

For those who are accepted into the program, we will send you an acceptance email and Paypal invoice. All fees must be paid within 2 weeks of being accepted into the program. We can also arrange payment plans for those that may need it; please send an email to [nellie@youthfoodmovement.org.au](mailto:nellie@youthfoodmovement.org.au) so we can work with you on a plan that suits.

Upstart is **valued at** over \$800 per participant, a cost which is heavily subsidised with the generous support of the Vincent Fairfax Family Foundation (National), The Bennelong Foundation (Adelaide) and the City of Sydney (Sydney).

The fees for the 2018 program are as follows:

<b>Concession</b> (You will be asked to provide photographic evidence of your concession upon application)	<b>\$145</b>
<b>Full Fee</b>	<b>\$185</b>

It's important to us that the associated fees do not pose a barrier to participation for those who require financial aid. As a result, we will be offering a small number of scholarships for those who face financial barriers to participation. Please apply as normal through the application page using the fee type 'concession' and contact us on [community@youthfoodmovement.org.au](mailto:community@youthfoodmovement.org.au), outlining a) why you'd like to participate in Upstart and b) why you need a scholarship to participate in Upstart (200 words max per question) before the application closing date for your location.
